## Community Reminders

- Residents with Trucks- Please be mindful of the sidewalks when backing in a parking spot. Please do not block the sidewalks with the bed of your truck.
- As always, please watch your speed throughout the community! Kids are back in school and we want to keep them safe! Speed limit is 15 mph.
- Please be courteous when it comes to parking! As a reminder, residents with a garage get the spot in their garage and the spot in their driveway. Garden style apartments get 2 spots outside their building. Guests or any other parking is to use overflow which is anything not in front of a building.

Thanks in advance for your cooperation!
